Dear Secretary THOMPSON:

I AM A CONCERNED PERSON AND AM
writing you TO ~~URGE~~ you TO PLACE
A MORATORIUM ON THE FDA'S
APPROVAL OF IRRADIATED FOODS.

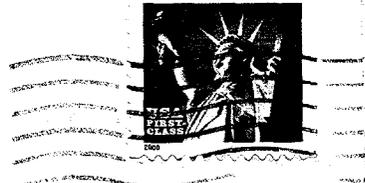

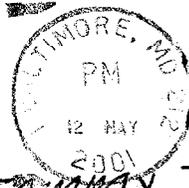

You should be putting our
money into organic farming
and stop the filthy habit of
EATING THE BODIES OF MURDERED
ANIMALS. Think of all the money
can be saved on medical cost.
CANCER AND HEART DISEASE COMES
FROM EATING FLESH.
